25X1

[ ] The Senator did not ask any detailed questions and suggested that possibly he would like to talk to us further upon his return. He was most gracious and appreciative of our stopping by to see him.

25X1 2. [ ] Saw Colonel Smith, of Senator Symington's office, who made available a copy of the Senator's draft report on his Far East trip. He made it clear the Senator wished us to go over it and make any corrections or additions as we deemed appropriate. This is to be returned before the close of the week.

25X1 3. [ ] Russ Blandford, House Armed Services Committee staff, called on behalf of Chairman Rivers saying they would very much like to meet for breakfast with the Director next Monday morning, 30 January, at seven o'clock. After discussing this with the Director, I attempted to adjust to a later time but Mr. Blandford, after checking, said the Chairman would like very much to stick to seven o'clock. I stated that the Director would be very happy to receive the two of them for breakfast.

25X1 4. [ ] Bob Michaels, House Appropriations Committee staff, called saying Chairman Mahon would like to tentatively target the 8th and 9th of February and possibly the 10th, if necessary, for the annual Defense Subcommittee of House Appropriations briefing. I told Mr. Michaels I was sure this was all right but I would double check and be back in touch and also would go over with him the content of the briefing.
